### Research Contents

The Tale of Genji which is the crowning work of Japanese classical literature. There ,the thought of the human being who does not change even if it exceeds the time of 1000 or more is drawn.

I would like to learn through classical literature about beautiful delicate Japanese culture. And I wish to return to our present-day way of life.

Those who want to know Japanese culture and who want to experience need to inform.

#### 【My research seeds】

- People's psychology drawn on classical literature is read and dispelled.
- Japanese culture is studied through classical literature.
- Research on enjoyment of The Tale of Genji.
